

2010 Life Change Campaign

Spring is in the air, daffodils are blooming, blossoms are budding, *and the baby bottles are coming!*

As in past years, the filling of a baby bottle is one of the main fundraising campaigns for this centre. The bottles will be distributed on Sunday, May 9th and the campaign ends on Father's Day, June 20th. As our ministry grows and more and more people need assistance in dealing with so many issues, it is our privilege to be here to help those in crisis. Please consider joining us either as a captain for your church or by filling the baby bottle with your monetary blessing. If you have any questions about this program please give us a call.

BOARD OF DIRECTORS REPORT by Chairperson Harriette Rynberk

What an awesome and humbling privilege it is to serve on the Board of Directors of Grimsby Life Centre Ministries. Our mandate is to determine policies; employ and appoint administrators to carry out the programs, activities and policies; and to promote the work being done at the ministry within the greater community. As Board members, we are committed to Jesus Christ, committed to the mission of Grimsby Life Centre and its advancement, seeking to exhibit an attitude marked by reverence, humility, diligence and faith, always seeking the will of our Heavenly Father for this ministry. With Jabez of old, our prayer is that God would bless us indeed, and enlarge our territory, that His hand would be with us, and that He would keep us from evil. We covet your prayers as we seek to do God's will.

Something new – If you wish you may donate to this ministry via the internet, please go to the web site of Canada Helps at www.canadahelps.org. Type in 'Grimsby Life Centre' and follow the instructions. It is a very friendly, easy to use website.

Help! We are looking for people who are interested in joining us as we plan our annual fundraising banquet which will be held on Friday evening, October 29, 2010 at the Smithville Christian High School. If you and/or a friend or fellowship group enjoy collecting silent auction items, this may be a great volunteer opportunity for you to get involved. Also, if you are someone who likes to turn a gym into a work of art, please give the centre a call. Any and all help is so appreciated as this event is our major fundraiser for the ministry centre. Thank you for considering the possibility.

We are in need of volunteers with exceptional computer skills on facebook, twitter, blogging, and/or setting up a fundraising event through the internet. Lisa has an awesome idea but does not have the skill set to pull it off! If you enjoy creative interaction and possibility thinking, please give the centre a call.

We are in desperate need of monetary donations to keep this centre running. Also, if you happen to have any extra gift vouchers, extra coffee, tea, paper towels, or office supplies, these items would be very much appreciated!

We are so grateful for your continued prayers and support.
